## Inside this issue:

Treasurer's Report 2

Special Dates & Events 2

## Junior Warden's Report

Thanks to all those who worked to spiffy up the grounds prior to the Bishop candidates' "walk about." We should be very proud of their work to present St. Luke's at its best.

Three lights over the altar have been replaced and four other spots directed at the altar have been updated with LED bulbs. This was necessary because the three replaced units were loose and presented a potential fire hazard. The others were updated to match and since they generate less heat they are more energy efficient and should save us money. This was done just prior to the Bishop candidates visit.

A leak in the furnace room was thought to be the water heater but turned out to be a disconnected pipe designed to carry off condensation from the air conditioning. The sexton had quite a puddle to mop up in addition to his usual duties.

There is a loose siding panel on the alley side of the building. Dennis James and Dave Cook are assessing the problem and are considering how best to fix it.

Here's hoping September brings little drama or things in need of repair.

**IDENTITY STATEMENT FOR ST. LUKE'S**

St. Luke's Episcopal Church is a community of diverse and unique individuals and families, joined together in the Body of Christ. We are a family united by worship, discovering God's purpose in our lives and using our gifts in service to him, to one another, and to the world.

We believe the historic Christian creeds. We carry on the heritage of Christian worship, celebrating the biblical faith with traditional and contemporary forms. We encounter God in word and sacrament, in music and prayer, and in one another.

We offer opportunities for education, spiritual growth, service, fellowship, and the giving and receiving of pastoral care

We seek, through worship and service, to show forth in the world the healing love of Jesus.
