In Our Prayers 2

As I write we are immersed in the stark reality of a world in which war and destruction seems to be our "daily bread;" a world in which the fear of continued disease and loss can haunt everyday life.

And it is in the midst of this that the church calls us to enter the wilderness. We are called not to wander alone in to the desert, but with Jesus who has been there before us; And the Spirit who both lives within us and awaits us on the journey; And one another, fellow travelers on the Way. It is on this journey that we find our true Daily Bread

I offer you my prayers and those of your Vestry as we move toward the glory of Easter. We ask for yours.

Grace & Peace,

Hana

IDENTITY STATEMENT FOR ST. LUKE'S

St. Luke's Episcopal Church is a community of diverse and unique individuals and families, joined together in the Body of Christ. We are a family united by worship, discovering God's purpose in our lives and using our gifts in service to him, to one another, and to the world. We are committed to be welcoming and open to all, without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability or genetic information.

We are the people of God and a community seeking to live out the truth of the Gospel of Jesus Christ. We seek to love God and our neighbors as we love ourselves. We want to build collaborative and creative partnerships with our community to truly make it the beloved community of God. We encounter God in word and sacrament, in music and prayer, and in one another.

We offer opportunities for education, spiritual growth, service, fellowship, and the giving and receiving of pastoral care.

We seek, through worship and service, to show forth in the world the healing power of Jesus's love.
