Rest in Peace; James Lee Calvert

In the early years of the U.S. space program, a small but powerful rocket was supported by a metal framework. This “escape tower” was bolted to the capsule in which astronauts awaited takeoff. If disaster occurred, the escape tower was to carry the capsule up and away from the main rocket. A parachute would then float the astronauts safely to earth.

Jesus’ resurrection is more than a great escape. If he had merely eluded death, that would be akin to resuscitation. By God’s power, Jesus didn’t merely survive death but conquered it, once and for all. On Easter, Jesus returns to life not for his own sake but for the sake of all humanity. He reassures the disciples — and us — “Peace be with you.”

IDENTITY STATEMENT FOR ST. LUKE'S

St. Luke's Episcopal Church is a community of diverse and unique Individuals and families, joined together in the Body of Christ. We are a family united by worship, discovering God's purpose in our lives and using our gifts in service to him, to one another, and to the world. We are committed to be welcoming and open to all, without regard to race, color, religion, gender, gender identity or expression, age, sexual orientation, national origin, ancestry, disability or genetic information.

We are the people of God and a community seeking to live out the truth of the Gospel of Jesus Christ. We seek to love God and our neighbors as we love ourselves. We want to build collaborative and creative partnerships with our community to truly make it the beloved community of God. We encounter God in word and sacrament, in music and prayer, and in one another.

We offer opportunities for education, spiritual growth, service, fellowship, and the giving and receiving of pastoral care.

We seek, through worship and service, to show forth in the world the healing power of Jesus's love.
